Dear Janet

Thank you again for all the amazing support from Savernake League of Friends this year. We are so grateful for the Friends' continued support for Brighter Futures.

I am so pleased that the Physio stairs arrived safely at Savernake Hospital and wanted to confirm that your grant of £899.95 for this equipment was safely received by bank transfer on 16th October 2018.

On the same date we also gratefully received £1,000 towards our Special Care Baby Unit Incubator Appeal. This gift will make such a difference to premature babies cared for at Great Western Hospital and allow the Special Care Baby Unit to take advantage of the advances in technology that the new equipment will bring.

We recently took part in the Big Give Christmas Challenge online giving campaign and benefitted from the Swindon Advertiser choosing to profile the Incubator Appeal in the run up to Christmas. This combined with generous grants such as yours, means that we have raised £170,000 for the Appeal. We are hopeful that we will reach the £175,000 appeal goal to purchase 5 new incubators by the end of this year.

Please pass on our huge thanks to all the committee members and volunteers for supporting these two projects recently and for the on-going support for the Radiotherapy Appeal and services benefitting patients at Great Western Hospital.

Wishing you a very happy Christmas and healthy 2019!

Yours sincerely
